TV area 43-52W x 48-62H x 24D
Adjustable shelf Custom W x 24D

Adjust the width of the TV area for a 46" or a 60" TV by moving the side pier cabinets under the halogen light bridge left or right. Dim the lights or turn them on and off by touching the top hinge on the pier. We make the shelf above the TV adjustable up and down in 1-1/2 increments for different height TVs.
